

Lesson 1 Workbook

Pick your door . become a future-proof educator

You just watched Lesson 1. Before Lesson 2, get honest about where you're headed.

1 The reframe

In my own words, the skillset that actually gets paid now is:

2 Your two doors

Read both, then check the one you're leaning toward (you can change later).

DOOR A

Get hired into the new model

What pulls me toward this?

My honest hesitation

One school or role to look at

This is my door - for now

DOOR B

Build my own income

What could I offer?

First possible client or student

My honest hesitation

This is my door - for now

3 My honest starting point

Circle where you are today. 1 = just starting 5 = strong

Facilitator skills - motivating, coaching, connecting

(1) (2) (3) (4) (5)

AI skills - using and building AI tools

(1) (2) (3) (4) (5)

4 My one next step this week

I commit to doing this in the next 7 days:

By when: _____
